**SECTION 8. OTHER EVENTS**

**Item 8.01. Other events**

Effective November 20, 2015, Envision Solar International, Inc., a Nevada corporation (the "Company"), entered into a Cooperation Agreement (the "Agreement") with Fuzehou Leshenghuo E-Commerce Limited Company ("FLELC") pursuant to which the Company has appointed FLELC as its exclusive agent to promote the sale of the Company's products and services in Fujian Province of the People's

Republic of China ("PRC"). FLELC is a Chinese company, domiciled in Fuzhou City in Fujian Province of the PRC, which has provided the Company with significant market research, sales promotions, and resource integration services, and played a fundamental role in assisting the Company to open and expand the China marketplace for its Solar EV charging products. FLELC has agreed to work exclusively with the Company in Fujian Province for that purpose. The term of the Agreement runs from November 20, 2015 until November 20, 2018, during which period FLELC agrees to seek customers, sales, strategic partners, and potential manufacturing opportunities exclusively for the Company, including suitable opportunities with China state-owned enterprises. The Company and FLELC may establish one or more jointly owned entities to conduct business together in China, and particularly in Fujian Province, where their relationship is exclusive. FLELC is expected to own a percentage of equity in the businesses that the Company launches in China under this Agreement through FLELC's efforts, as compensation for FLELC's services.
